1st. That a standing committee of five, to be known as the Entertainment Committee of the Western North Carolina Conference, be appointed, which shall provide from year to year for the entertainment of the Conference either in whole or in part as the case may require. The committee shall be nominated by the

presiding elders and confirmed by the Conference, and their election be at the same time that other standing committees are appointed at the beginning of each quadrennium.

2d. That this committee shall confer with the different localities that may desire to entertain a Conference and shall secure the best terms they can. The final bid for the entertainment of any Conference shall be made not later than twenty days prior to the assembling of conference. The committee shall, after investigation, report their selection to the Annual Conference for its approval before the adjournment of the session.

3d. The Committee shall be empowered this year to levy an assessment not exceeding 1 per cent. of the pastor's salary on each work for the entertainment of the preachers and the delegates to the Annual Conference, with the proviso in no case, however, shall the amount exceed 2 per cent. of the pastor's salary. Should there be a surplus from one year it shall be carried over into the next year, and after the needs of the conference shall be ascertained, it shall be the duty of the committee to levy an assessment sufficient to provide for the entertainment of the Conference in the town where it may elect to hold its next annual session.

4th. It shall be the duty of the pastor in the town which the Conference may decide to hold its session, to co-operate with the entertainment committee in providing as many homes as possible for preachers and delegates, and where entertainment is thus provided the Conference shall be relieved of the expense of providing for such delegates, but where the homes are not voluntarily offered, then it shall be the duty of the committee to provide homes for the entertainment of all members of the Conference in suitable places for their comfort and convenience.

(Signed.)

REPORT OF THE BOARD OF EDUCATION.

Report No. 1.

WHEREAS, the sum of \$85,000 has been subscribed on an endowment fund for Greensboro Female College, leaving only \$7,500 to be raised in this Conference, and a like amount in the North Carolina Conference, to secure for this institution an endowment of \$100,000; therefore,

Resolved, That this Conference approve the following plan for raising the sum of \$7,500, namely: Let the individual members of the Conference, as many as will, and any others who may wish to join them, give an interest-bearing note for the above amount payable within two years.

E. L. BAIN, *Chairman*.

J. H. BARNHARDT, *Secretary*.

Report No. 2.

We recommend that the following be the future policy controlling in the management of the Educational Institutions owned in whole, or in part, by the Western North Carolina Conference:

That no new investment in lands, or other school property, shall be made by any person or persons ostensibly or prospectively representative of the Conference, unless specifically authorized to do so by a recommendation of the Board of Education, the Conference concurring.

It being the view of this Board that every effort should be put forth, and every resource appropriated to conserve, maintain, and develop, to their highest efficiency the schools we already have, we therefore recommend that upon the meeting of the Board of Education at every session of the Conference (beginning with that of the present year), the funds accruing from the collection of our educational assessment shall automatically appropriate themselves as hereinafter provided, and for the purposes set forth herein. That is to say at this session of the Conference the Board of Education shall form three pairs or groups of schools as follows:

No 1.—Greensboro Female College and Davenport College.

No. 2.—Weaverville College and Rutherford College.

No. 3.—Trinity College, Greensboro Female College, Weaverville College, Davenport College, and Rutherford College.

That in 1909 the entire amount collected on the educational assessment shall be paid to pair No. 1, and the amount equally divided between those two institutions. That in 1910 the entire amount collected by the Conference for the cause of education shall be paid to pair No. 2, and divided equally between the two schools. That in 1911 the entire amount paid on the educational assessment shall be paid to group No. 3; one-half to be paid to Trinity College, and

the other half distributed equally among the following institutions: Greensboro Female College, Davenport College, Rutherford College and Weaverville College.

We recommend that the above shall be the method of and order of these appropriations, until they are changed by a vote of the Conference.

We also recommend that the money appropriated to Trinity College shall be used as follows: as much of it as is needed to establish scholarships for worthy applicants from our Conference shall be so applied, and the remainder shall be held by the college to the credit of the Western North Carolina Conference as a loan fund for any applicants who are recommended by our Board of Education or its executive committee.

We further recommend, that the funds appropriated to the other institutions, shall be used for the payment of outstanding indebtedness, and for permanent improvements in grounds and buildings or for internal equipment, and for no other purposes whatsoever.

We further recommend that after the equipment of these schools has been reasonably accomplished the appropriations thus made from year to year, to all the schools, except Trinity College, shall be set aside by the schools receiving the appropriations, and made the nucleus of an endowment to be added to as fast as possible, until it reaches the sum of \$25,000.00, as the minimum endowment of each institution.

E. L. BAIN, *Chairman.*

J. H. BARNHARDT, *Secretary Pro. Tem.*

Report Number 3.

We have had submitted to us reports from Trinity College, Greensboro Female College, Weaverville College, Rutherford College, Davenport College, Brevard Institute, and Weddington Academy, and these reports have been supplemented by additional information furnished by personal representatives of the schools. We rejoice to learn from these sources the continued and growing interest of our people in the cause of education as manifest in the steady, and in some instances, increased patronage of these institutions.

We have had before us Dr. R. G. Waterhouse, as representative of the General Board of Education, who presented the report of the Board, and also submitted observations and suggestions of general import to the educational work of our church. This communication from the general Board brings information which indicates a small but steady advance in the educational movements projected by it, and under its care.

The assessment for educational extension of \$2,150 remains unchanged. This money to be applied as heretofore to the support of the correspondence school, to aid in the educational work of the Colored Methodist Episcopal Church and to strengthen our school work on the Pacific coast. We recommend that an assessment of \$8,000 be placed upon the Conference for the cause of education, and apportioned to the districts.

Inasmuch as the General Conference of 1906 called attention to the vital position of the home as an institution of Christian nurture, we, therefore, request your recognition of the important place of the home in a system of Christian education. "In making our homes such agents as they ought to be in their influence upon the physical, intellectual, and spiritual development of our young peo-

ple," some effort should be expended to revive among us and restore to our people the family altar. We should endeavor to intensify everywhere among our people the sense of parental responsibility in the matter of imparting to the children of our homes spiritual enlightenment and religious instruction. In such an atmosphere and from such an influence, Christian education in its true spirit and passion must receive its first impulse of life, and acquire the elements of its ultimate strength and stability.

We recommend the appointment of J. C. Wooten professor in Trinity College; W. W. Peele, president, and W. E. Poovey and O. J. Jones, professors in Rutherford College; C. C. Weaver, president of Davenport College; W. M. Curtis, secretary and treasurer of Greensboro Female College; J. D. Rankin, principal of New London High School; J. M. Downum, principal of Weddington Academy; J. A. Baldwin, secretary of the International Committee of the Young Men's Christian Association; and N. S. Ogburn, student in Vanderbilt University.

We recommend that the following trustees be confirmed: Rutherford College, G. F. Ivey, C. C. Cornwell, W. F. Wood, H. H. Jordan, W. F. Womble, G. T. Heffner, and the resident pastor, and the presiding elder of the Morganton district; Weaverville College, John Queen, J. K. Chambers, E. C. Chambers, J. A. Reagan, R. W. Pickens, R. P. Britton, Frank Carter, G. L. Hackney, E. F. Vandiver, H. F. Chreitzberg, J. A. Nichols, and W. T. Weaver; Davenport College, J. H. Weaver and George F. Ivey; Greensboro Female College, G. T. Rowe.

The Brevard Industrial School has, and will ever maintain a unique but essential relation to us as a Conference and as a people. The work which it is doing is not only not competitive with any other school in which we are engaged, but is very essential to the fulfillment of our educational mission to a large and dependent class. It is therefore essentially a missionary school, and as such appeals to the sympathy and liberality of the entire membership of the Church within the Western North Carolina Conference. It is, therefore, the desire of this board to effectually challenge general interest in behalf of this school, and to lay its urgent needs upon the hearts of our members. To this end we recommend that the first Sunday in March be observed by all our pastors as Brevard School day, and that on that day the peculiar needs of this school and its claims upon us be faithfully presented by our pastors, and a collection taken for it in their respective congregations.

We recommend that the condition imposed upon the trustees of Weddington Academy upon which an appropriation of \$10,000 from the Weddington estate was made to that school, be withdrawn, and that the said Weddington Academy be left in the hands of its trustees under the management of the quarterly conference of the Weddington circuit. We further recommend that the committee appointed at our last Conference for the purpose of effecting the transfer of the Weddington Academy property to the Western North Carolina Conference be relieved from the performance of the duty therein imposed, and that the committee be discharged.

E. L. BAIN, *Chairman.*

REPORT OF THE BOARD OF MISSIONS.

We are again reminded that missions and evangelism are phases of the same great work of bringing men to Christ. Now we all know that the one indispensable thing necessary to a revival of religion is "fervent, effectual prayer." Hence there can be no successful missionary work without prayer, and there can be no real, prevailing prayer that does not foster the missionary spirit. Your Board of Missions, therefore, urges upon all our people that earnest prayer, unceasing and persistent, be made for a fresh baptism of the spirit of soul-winning upon all our preachers and other church workers. We believe a revival that should bring into the church on profession of faith ten thousand new members during the year, would also bring the greatest increase of giving to missions in the history of our Conference, and the largest success upon our mission fields, as well as more laborers in the vineyard.

The expressed purpose to call upon God for ten thousand souls next year we believe will help us greatly in the call upon the people for one million dollars for Missions.

We heartily endorse the resolution of the Chattanooga Conference to "increase within the next year the contributions of our Church to missions to one million dollars." The contributions for missions subject to appropriation by the General Board and the Conference Board of Missions amounted this year to more than \$30,000. If we are to raise our part of the million dollars called for by the laymen and the General Board, and at the same time maintain the relative position of our home work we must during the coming year pay \$50,000 for missions. We can do it if we will. We will work, then, and pray for \$50,000, and the ten thousand new members in 1909.

In order to do this we must press the work of missionary education. No deep and permanent interest in missions can be created without missionary information. We urge, therefore, upon the

members of the Conference increased diligence in getting such information before the people.

We recommend:

1. That every preacher make an effort to place within his charge as many copies as possible of "The Call of God to Men," the report of the Chattanooga Conference. Since this is peculiarly the laymen's book, we suggest that the laymen should help in its circulation.

2. That renewed and persistent effort be made to increase the circulation of "Go Forward."

3. That mission study classes be organized where practicable. Full instructions how to do this can be obtained from the Rev. Ed. F. Cook, Secretary Educational Department of the Board of Missions, Nashville.

4. That the Sunday School Missionary Societies be used more as a channel of missionary education. Brother Cook can also help you in this.

In this connection the Board of Missions wishes to express its appreciation of the value of the district bulletins of the Franklin and Waynesville Districts, and commend this method of keeping the domestic mission fields before the local churches to the consideration of the presiding elders of the other districts.

As a further means of helping to this end, it is the purpose of the Board to establish in every presiding elder's district a circulating library for the use of the preachers serving mission charges. We are convinced that the meager salaries these men receive make it impossible for them to buy the books they need for their own growth and consequently for the best work. In this connection the Board of Missions requests all such preachers subscribe for and read the Nashville Christian Advocate and The Quarterly Review.

We recommend the Methodist Training School at Nashville to the consideration of the younger men of the ministry and recommend that as many as can do so, attend the mid-winter institute held then.

We recommend the appointment of D. H. Comann as Missionary Evangelist, and C. A. Wood as Conference Missionary Secretary.

The assessments on the Conference for 1909 are: Foreign Missions, \$16,285, and Domestic Missions, \$13,000. These amounts have been apportioned to the districts by the Joint Board of Finance.

REPORT OF THE SUNDAY SCHOOL BOARD.

No interest of the Church demands greater attention and more definite activity than the moral training of its young life. The Church of the future depends largely upon the culture of its children. Every one admits these statements. Yet reports indicate that we are barely holding our own in Sunday School work.

The charges report as follows the results of the year's work: Schools, 745½, a decrease of 13; officers and teachers, 5,184, a decrease of 24; scholars, 64,217, an increase of 1,725. Raised for literature, \$13,453.26; missions, \$3,683.40; children's day, \$272.90; other objects, \$7,588.67—total \$24,901.84, an increase of \$1,758.50.

Your board would again direct attention to the observance, or non-observance, of children's day, in our conference. The majority of the charges do not observe this disciplinary requirement. The receipts this year are less than last year; and, while the pastors report \$272.90 as the offering of the year, the total amount that reached the treasurer of the board directly from the pastors and through the Joint Board is \$212.73, a discrepancy of \$60.17. Last year the discrepancy was much larger. Some pastors have stated that they applied their offerings to the demands of their schools, and to missions, thus thwarting the purpose of the movement.

With the amount brought over from last year, including this year's returns, we have paid out for literature for schools helped by the board of education \$240.63, leaving a balance in the treasury to meet the demands for 1909, until returns are made from the collections of 1909 a balance of \$259.21. Every cent of this will be necessary to meet the pressing demands upon the board, and we are unable to turn over any amount to the Chair of Religious Pedagogy and Sunday Schools in Vanderbilt University.

Your Board has determined to plan greater things for the Sunday School work of our Conference the ensuing year, which will demand money beyond anything heretofore contributed for this purpose. It is our purpose to do all possible to put our Conference in line with other Conferences which have been considerably aroused on this subject. If every charge will observe Children's Day, promptly remitting collections to our treasurer, the advanced movements can be launched.

Your board has carefully considered the report of our Sunday School editor, which shows marked progress in all departments of the great interest placed in his hands by the church. The special attention of the pastors is called to the following statements in said reports:

"The amount received during the year for the endowment of a chair of Religious Pedagogy and Sunday Schools in Vanderbilt University falls far short of what it ought to be. In regard to this last item the Sunday School Board, at its last session, took the following action:

"Whereas only twenty Conferences have made contributions to the Chair of Religious Pedagogy and Sunday Schools in Vanderbilt University, the Sunday School Board requests that this great cause be pressed upon the attention of all our Sunday Schools, that they may contribute to the Chair as required by the Discipline of our Church."

"The Teacher-Training Department.

"Through the co-operation of the Sunday School Board and the Board of Missions, Dr. and Mrs. Hamill were last fall sent on a special mission to the Orient, and spent a number of months in

holding Institutes throughout Japan and Korea. Enthusiastic reports received from these fields indicate that their work was immensely helpful in awakening interest in the religious training of childhood and youth.

"Meanwhile the teacher-training work at home has received careful attention and direction and is steadily growing. The superintendent of teacher-training, however, needs and should have the earnest co-operation of pastors and superintendents. Teachers should be impressed with the importance of their work and the absolute necessity of special preparation for it, and a Study Circle should be organized in every church. The most pressing need of the Sunday School work at present is the need of trained teachers; and it is the imperative duty of our leaders to join hands with those who are trying to supply this need. We are glad to note that Dr. Hamill, by action of the General Sunday School Board, is revising our course of study for teachers so far as to fit it to the standard adopted by the Department of Education of the International Sunday School Association at its session in Louisville, Ky., June, 1908. There will hereafter be an elementary course for beginners in addition to our present advanced course. This elementary course will be the well-known Legion of Honor Course prepared by Dr. Hamill. Write him for the new 1908 Teacher-Training Leaflet."

Your Board offers the following resolutions for adoption:

Resolved 1. That we, as pastors, will see to it that Children's Day is observed by every charge in our work, either separately or together, and urge upon our people greater liberality toward the objects in view.

Resolved 2. That we will forward offerings at once to the treasurer of the Sunday School Board of our Conference.

Resolved 3. That we will co-operate as best we can with the Board in all laudable efforts to advance the Sunday School cause throughout our Conference.

Resolved 4. That if Children's Day cannot be held during the month of May, that a suitable day during the months of April or June be selected for its observance.

Resolved 5. That the renewed attention of our pastors and superintendents is directed to the introduction of the Teachers' Study Circle in their respective schools.

REPORT OF EPWORTH LEAGUE BOARD.

Your Board has endeavored to give careful attention to the responsibilities committed to it during the past year. In so doing, we hope we have had some measure of success. However, we are sorry to note from the report of the preachers that there has been a decrease in the number of Leagues. This, however, we think, does not indicate a decrease in the working force of the League in our midst.

The literature of this department of the church is efficient and worthy of large circulation and reading. That part of it which is prepared with special reference to the devotional department is immeasurable in its value as a help to practical Christian living.

We are glad to believe that the Junior work is prospering. We would urge that these be organized in all our churches. In places where the recommendation of this Board to organize Junior Leagues and Juvenile Missionary Societies together, has been put into effect,

REPORT OF EPWORTH LEAGUE BOARD.

Your Board has endeavored to give careful attention to the responsibilities committed to it during the past year. In so doing, we hope we have had some measure of success. However, we are sorry to note from the report of the preachers that there has been a decrease in the number of Leagues. This, however, we think, does not indicate a decrease in the working force of the League in our midst.

The literature of this department of the church is efficient and worthy of large circulation and reading. That part of it which is prepared with special reference to the devotional department is immeasurable in its value as a help to practical Christian living.

We are glad to believe that the Junior work is prospering. We would urge that these be organized in all our churches. In places where the recommendation of this Board to organize Junior Leagues and Juvenile Missionary Societies together, has been put into effect,

they have been found extremely satisfactory. In such cases the children receive not only the impressions of a missionary society, but in addition the training of all the other departments of an Epworth League.

In view of the fact that the reports from a number of our charges show a deficiency in the amount raised on assessments for the benevolent collections, and in view of the fact that very efficient and valuable assistance has been rendered in this work by Leagues in many places where they have been established, we suggest and recommend that all our Leagues be encouraged to assist in work of this kind.

We very much regret that circumstances prevented the holding of our Western North Carolina Epworth League Conference last year. But we are hoping to find the place and hold such a conference the coming spring.

As it is important to keep the work of the Epworth League before the conference, be it therefore

Resolved, That Wednesday evening of our next Annual Conference be set apart as the time for holding an Epworth League anniversary, and that this Board is hereby directed to provide a suitable programme for that occasion.

REPORT OF THE TRUSTEES OF THE CHILDREN'S HOME.

To the Bishop and Members of the Western North Carolina Conference:

At your last session, following the recommendation of a commission which had for three years been considering the problem of providing for the destitute and orphan children within the bounds of this Conference, you resolved to establish an institution for this purpose, providing for same by adopting a charter and electing a Board of Trustees. Your Trustees met at the close of the Conference session, and organized by electing as temporary officers, Rev. G. H. Detwiler, President; Rev. N. R. Richardson, Vice-President; and Mr. George F. Ivey, Secretary and Treasurer. At a meeting held in Statesville December 12th, these same persons were made permanent officers of the Board. At this meeting plans were put into operation to carry out the provision of a resolution passed by the Conference, providing for a collection from every Sunday School each fifth Sunday during the year. A committee was also appointed to receive propositions and make recommendations relative to a suitable location. At a meeting held in Hickory, March 5th, propositions from the towns of Hickory, Rutherfordton and Lincolnton were received and considered. After careful deliberation, it was decided not to take final action at this meeting, and the committee was instructed to continue their efforts and report at a further meeting to be called by the president. Such meeting was called to convene in Salisbury, April 14th.

At this meeting a proposition from Winston was added to those already received. No selection was made at this meeting, but a date was fixed beyond which no other proposition would be received, and an adjournment was made until April 28th, when a final report was to be submitted by the committee on location, and the selection of the location determined by the Board. This meeting was held at the time and place designated. The committee

submitted a majority report favoring Winston and a minority report favoring Hickory. The vote was taken by ballot and resulted in eight votes in favor of Winston, and four in favor of Hickory. After the vote was announced, it was in due form made unanimous. Three sites were offered to the Board at Winston and a special committee was appointed to examine and select from these. The one selected lies immediately west of the town and consists of 166 and a fraction acres of fertile land, a portion of which is under cultivation, and the remainder covered with a fine growth of timber. Immediately after the location was determined, a charter was secured from the state, conforming to the one adopted by the Conference. Under this charter the Board permanently organized, with the following officers: Rev. G. H. Detwiler, President; Rev. N. R. Richardson, Vice-President, and Mr. George F. Ivey, Secretary and Treasurer. At this meeting Dr. T. F. Marr was unanimously elected Superintendent, but after careful deliberation, he declined the position. It is but just to Dr. Marr to say that his decision was not due to any lack of personal interest in the work, nor of appreciation of its value, but because of the conscientious conviction that for him the work of the pastor was paramount. It required several weeks and much correspondence to get the action of Conference concerning the fifth Sunday collections fully before the Sunday Schools. In fact, this effort has been extended throughout the entire year, still the results have been encouraging, and we are happy to report that \$1,544.73 have been received from this source. Our Board is of the unanimous opinion that if this plan is pursued from year to year, in a few years our Sunday Schools will contribute a sufficient sum to nearly, if not entirely, support the institution. We therefore ask you to again authorize the taking of a collection by every Sunday School on each fifth Sunday during the coming year. We also ask that collections be taken in all our churches on Thanksgiving Day for the Home. Of the Trustees you elected, Mr. S. B. Tanner found it impossible to serve, and the Board elected Walter Thompson to fill the vacancy. This election we ask you to confirm.

At the beginning your board found itself surrounded by serious limitations. We were without two very important assets, namely, knowledge of the work we were expected to do, and the funds necessary to carry this work forward. The first of these we have sought to supply by reading, correspondence, and personal observation, and much of this has been done at the personal sacrifice of time and money on the part of the individual members. We now believe that, with the necessary funds at our command, we are prepared to go forward and build an institution that will be an honor to our Church and a source of unspeakable blessing to the poor and unfortunate. As to the money side of the problem, we have never for a moment doubted the willingness or ability of the Church to furnish all that was necessary, and as soon as it was needed. Without a Special Agent in the field and at no expense save a few dollars for postage, we hold today cash and pledges amounting to \$17,186.33. The inspiration of the work has been a joy and a blessing, and with unquestioned faith in God and the Church, we turn to the completion of our task.

Rev. T. F. Marr has been elected a trustee to fill the vacancy caused by the resignation of Rev. Frank Siler. This election we ask you to confirm.

Respectfully submitted,
G. A. DETWILER, *President*.

COMMITTEE ON BOOKS AND PERIODICALS.

Report No. 1.

Your Committee have had under consideration the paper introduced by S. B. Turrentine and G. H. Detwiler relative to the Christian Advocate Publishing Company, and referred to us, we beg leave to report that with slight amendments to sections 4 and 5, we recommend its adoption. The paper, as amended, will read as follows:

WHEREAS, the Western North Carolina Conference is already in possession of about two-thirds of the capital stock of the Christian Advocate Publishing Company, and

WHEREAS, we believe it would greatly strengthen the bond of loyalty among our people for the Conference to be in possession of all the stock, placing the management in the hands of a special board of this Conference, and

WHEREAS, we now have the opportunity of purchasing the remainder of this stock at par, which opportunity is likely to be withdrawn if we make further delay, therefore be it

Resolved 1. That we instruct the Conference Board of Trustees to have their treasurer take up the remaining stock, amounting to 38½ shares, using the first available funds for this purpose, provided that this stock can all be secured at par.

Resolved 2. That we hereby instruct Rev. J. E. Gay, the proxy of the Conference, in case the purchase can be made, to cast the vote of the Conference interest in the stockholders' meeting in favor of the dissolution of the corporation now known as the Christian Advocate Publishing Company, and the transfer of all the assets of said company to a new corporation to be known as the Board of Publication of the Western North Carolina Conference.

Resolved 3. That we hereby request the stockholders of the said Christian Advocate Publishing Company to appoint a committee of their number who shall be authorized and empowered to take such action as the law requires for the accomplishment of the aforesaid transfer and that they go before the General Assembly at its approaching session and secure the following act of incorporation:

SEC. 4. That the incorporators are authorized and empowered to conduct, transact, manage, and carry on the business of the corporation. That they shall be elected as follows: W. G. Bradshaw, for a term of one year; J. L. Nelson, for a term of two years; N. L. Eure, for a term of three years; J. R. Scroggs, for a term of four years, and D. B. Coltrane, for a term of five years. At the expiration of each the Board shall nominate a successor for a term of five years, who shall be elected by the Western North Carolina Conference; *Provided*, that in case of a vacancy for other cause than that of the expiration of a term, said vacancy shall be filled for the remainder of the term as hereinbefore provided; and *Provided* further, that the said corporation shall be under the jurisdiction, control and direction of the said Western North Carolina Conference.

SEC. 5. The incorporators shall submit a report annually to the Western North Carolina Conference, giving a full and accurate account of the business of the corporation. They shall also nominate an editor annually, subject to election by a vote of the said Western North Carolina Conference.

SEC. 6. SEC. 7. That the property of said corporation, used for its purposes, shall not be subject to taxation.

SEC. 8. That this act shall be in force from and after its ratification.

Report No. 2.

We rejoice in the continued prosperity of our Publishing House at Nashville, and our branch at Dallas, as shown by the report of the agents to this Conference.

The periodicals coming from the house are in the main highly commendable. The Nashville Christian Advocate shows marked editorial ability, and, in the judgment of your committee, has never been stronger than it is at the present time. We note with pleasure that it has had a gradual growth in circulation through the period of loss on account of the new postoffice regulation. We

urge our pastors to try to put it in all our homes together with our Conference organ, by calling the attention of the people to the club rate of the two papers for three dollars per year.

We believe that our Sunday School literature is not surpassed by any similar productions from any source, but would make special mention of the Children's Visitor, and urge our pastors and Sunday School superintendents to put this bright little paper in all of the homes of our Sunday Schools.

We have had under consideration the report of Rev. H. M. Blair, editor of the North Carolina Christian Advocate, and note with great pleasure its continued prosperity under the present management. Notwithstanding the heavy loss on account of the present postoffice regulation, the circulation has reached a higher weekly average the past year than at any other time in the history of the paper. The report shows that the financial condition of the paper is gratifying.

We heartily commend the faithful and efficient work of Rev. H. M. Blair, the editor, and of Rev. W. L. Sherrill, the assistant editor, and do unanimously recommend that H. M. Blair be appointed by the Bishop as editor for another year, and, upon request of the editor, we unanimously recommend that W. L. Sherrill be appointed his assistant. In order to better promote the usefulness of the Advocate by extending its circulation, we recommend that an earnest effort be made in each charge to increase the circulation at least 2,000, and that this number be apportioned to the districts as follows:

Asheville District	200
Charlotte District	200
Franklin District	150
Greensboro District	200
Morganton District	175
Mount Airy District	175
Salisbury District	200
Shelby District	175
Statesville District	200
Waynesville District	150
Winston District	175

We recommend, furthermore, that the editor furnish to each pastor a complete list of the subscribers in his charge at least six weeks before the session of the Annual Conference, together with a blank upon which to make a complete Advocate report similar to those of other Conference reports.

We note with pleasure that the Job Printing Department of the Advocate office has been successfully launched. We would call the attention of our people to the importance of patronizing the same in order that the general welfare of the paper may be advanced thereby.

There remains yet an uncollected balance of \$714.42 of the \$3,000 which the editor was authorized to collect for the Building Fund. It is very important that this amount be collected in the near future and that preachers and laymen co-operate with the editor in securing this sum.

Again we bring to your attention the Stone & Barringer Company, of Charlotte, N. C., who keep on hand through the year a good supply of our books, and who are now on hand with a good assortment of valuable books. We express the hope that they may have a large patronage from our preachers and people.

REPORT OF THE COMMITTEE ON BIBLE CAUSE.

With a review of the world's work of gospel promulgation before us, we have more cause than ever to rejoice at the multiplied activities that are winning their way for Christ.

It is forced upon us with still greater potentiality, as we view these activities, that their inspiration and hope and life emerge from the written Word through the impress of the Holy Ghost. And as our own hope of eternal life, as well as that of all the world, is founded upon its teachings, we feel that we are the more imperatively committed to aid in its dissemination. There is a ceaseless flow of immigration into our country, bringing with it every abomination under the sun, increasing our responsibility of giving them the Word of Life.

Pagan temples are already dotting our western shore, as well as our great cities of the north. The new immigration port of the south presents new and increased opportunities and responsibilities there. Dr. Porter, of the South Atlantic Agency, a part of which is our own Conference territory, tells us that in the past year he has distributed the Word in thirty-five different languages.

A redistribution of the Word throughout our entire country, is found to be imperative, while the world-wide cry is ever increasing.

This year new impetus is given the American Bible Society (our great agency) in the proposition of Mrs. Russell Sage. She proposes to give \$500,000 to the Society, if the people of this country will give another \$500,000, making a permanent endowment of \$1,000,000, thus making it possible for us to do, in our work for missions what we could not do without it, either in the home or foreign fields.

It therefore behooves us, as a Conference, to do our part, and we repeat our resolutions of the years that have gone by, that we begin with the month of April (Bible month), and that each pastor plan for Bible Day in every congregation of his charge, and take a special collection therefor.

Dr. M. B. Porter, 204 Bank of Richmond Building, Richmond, Va., our agent, will be more than glad to give any possible aid or information at his command.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

The Sabbath being the first and foundation ordinance of God for the promotion of his worship, demands, and should have, our most devout and earnest attention. Infinite Beneficence having made Sabbath "for man," its proper observance must be essential to our happiness and well being.

While your committee is not in agreement with the Puritanic idea of Sabbath Observance, they do most earnestly deplore the very lax and secular way in which this holy day is spent by the masses, whereby it is more and more becoming a holiday rather than a holy day. Therefore be it

Resolved 1. That all our preachers be requested to preach at least one carefully prepared sermon on Sabbath Observance during the coming year.

Resolved 2. That this Conference declares itself as unalterably opposed to whatever in the domestic, social, civil, or business world tends to the desecration of the Sabbath day.

Resolved 3. That we encourage the enforcement of the existing

state laws against Sabbath toil, and believe they should be made more stringent and the penalty for their violation increased.

E. J. POE, *Chairman*.

J. T. STOVER, *Secretary*.

REPORT OF THE COMMITTEE ON THE SPIRITUAL STATE OF THE CHURCH.

Your Committee on the Spiritual State of the Church have given attention to the reports made by the pastors, and have gathered such information from other sources as could be secured, and we have reached the conclusion that the spiritual state of the church in our conference, while not coming up to the gospel standard, nor our own idea of what it ought to be, is nevertheless in a healthy and growing and encouraging condition, for which we desire to express devout thanks to Almighty God.

We recommend that the old-time call and Holy Ghost appeal to repentance be continually sounded from all our pulpits with the apostolic ring of authority and power, and that the fundamental doctrines of our faith be earnestly laid before our people in a great concerted effort for the mightiest revival during the year 1909, in the history of this Conference. Let us, brethren, be constant in prayer to this end.

J. P. RODGERS, *Chairman*.

J. H. BENNETT, *Secretary*.

REPORT OF THE COMMITTEE ON TEMPERANCE.

In behalf of the Conference and of all our people we give gratitude to God for that splendid triumph of civic righteousness which has closed every legalized saloon and distillery in our state.

We give honor to the Anti-Saloon League, to our heroic Governor, to our Carolina womanhood, to all the sterling yeomanry, who carried our colors to victory. We pledge ourselves and preachers and people to work in all honorable ways for the enforcement of the law, for the enactment of a Federal statute or passage of a constitutional amendment forbidding shipment of liquors into dry states or territories and making criminal the possession of a Federal license in such state or territory.

We believe that the Anti-Saloon League should still be maintained as a fighting force to hold the ground already won, and that one day should be set apart in our churches for the expression of our cordial sympathy, and for the contribution of financial support of this organization, and that we further urge more stringent legislation restricting the sale of opium, morphine, cocaine, and kindred poisons.

J. C. MOCK, *Chairman*.

W. E. ABERNETHY, *Secretary*.

REPORT OF THE COMMITTEE ON CHURCH PROPERTY.

We, your Committee on Church Property, beg leave to submit the following report:

Number of Churches last year, 788; this year, 791.

Value of Churches last year, \$1,388,225; this year, \$1,579,495.

Indebtedness on Churches last year, \$43,264; this year, \$50,973.

Number of Parsonages last year, 179; this year, 179.

Value of Parsonages last year, \$296,600; this year, \$320,391.

Indebtedness on Parsonages last year, \$23,964; this year, \$25,606.77.

Insurance carried, \$472,930.

We recommend that there be provided a Church edifice for every congregation. That our growth be permanent, it is essential that every class be comfortably housed. These houses should be wisely located. It is much better to pay for a lot conveniently located, than to accept as a gracious gift one that is not. Let the architecture be of the best, and the material first-class in every particular. Wherever it is possible, let our churches be built of brick or stone. Let us build, too, with a view to the instruction of our children. Scores of our churches are in great need of class rooms and equipment for the Sunday School. Let the workmanship be the best, and let us keep our churches in good repair. A clean church, with neat surroundings, helps to induce the spirit of worship. Let us provide, too, comfortable homes for our preachers. Locate these homes wisely and thoroughly furnish them with good heavy furniture. Finally, let all our buildings, both churches and parsonages, be insured.

Respectfully submitted,

W. P. MCGHEE, *Chairman*.

C. S. KIRKPATRICK, *Secretary*.

REPORT OF THE COMMITTEE ON DISTRICT CONFERENCE RECORDS.

Your Committee on District Conference Records would submit the following report:

The records, on the whole, are in fine condition, only a few small criticisms being necessary.

Those of the Shelby, Salisbury, Morganton, Winston, Asheville, Waynesville and Charlotte Districts have each been accurately and neatly kept.

The Franklin District record deserves special mention for the excellent manner in which it has been kept.

On examining the record of the Greensboro District, it was found that the minutes were not signed by the President. Otherwise, it has been well kept.

The Statesville District record does not mention adjournment of morning session of Second Day, nor who presided at the afternoon session. Otherwise, it has been preserved with care.

The Mount Airy District record was not before the Committee, nor was it before the Committee of the last Conference.

C. M. SHORT, *Chairman*.

W. Y. SCALES, *Secretary*.

REPORT OF THE AUDITING COMMITTEE.

We, your Committee, appointed to audit the books of the North Carolina Christian Advocate Publishing Company, beg leave to report that we have examined same, and we find the books in good shape and the business seemingly prosperous; the equipment having been added to very materially during the present year, and all indications point to a time when this will be a very valuable plant indeed. We would recommend that our people support this enterprise with liberality in their patronage both as to circulation, advertising, and job printing, and if the plant continues in its present shape, it can be but a short time when the income from it will be a very material aid to your Superannuate Fund.

We have also audited the books of the treasurer of Foreign and Domestic Missions and the Conference Trust Fund, and the treasurer of the Church Extension Fund, and found these accounts in perfect shape and they have been approved by us.

J. S. MARTIN, *Secretary*.

C. H. IRELAND, *Chairman*.

VII. MEMOIRS.

REV. CHARLES M. ANDERSON.

BY W. F. WOMBLE.

Rev. Charles M. Anderson was born in Forsyth County, N. C., January 31, 1829, and died in Morganton, N. C., March 28th, 1908, in his 80th year.

Brother Anderson was converted in Forsyth County, N. C., at sixteen years of age, and joined the the Methodist Episcopal Church, South, at Antioch Church, under the ministry of Rev. J. D. Lumsden. He was appointed class leader when quite young, and served the Church faithfully as class leader, Sunday School superintendent, exhorter, and local preacher until 1852, when, at Louisburg, N. C., he was admitted on trial into the North Carolina Conference. He was ordained deacon in 1854 by Bishop Early, and by the same Bishop ordained elder in 1856. The following are in part the appointments served by him: Kenansville Circuit, Bladen Circuit, Kenansville Circuit again, South Fork Circuit, Newton Circuit, Hickory Circuit, Morganton Circuit, and Greenville Station. At the end of his second year on this charge, in 1885, he was superannuated, which relation he sustained until his death.

In 1858, Brother Anderson was married to Miss Mary Eliza Eccles, daughter of Mr. Henry Eccles, of Clemmons ville, N. C., who shared with him the experiences of an itinerant life until December 18th, 1906, when she passed from labor to reward.

Having a clear call to the Master's work, Brother Anderson early in life turned his energies toward a preparation of head, as well as of heart, and at the common schools of that day, and Union Institute, in Randolph County, N. C., known later as Trinity College, he laid the foundation for what proved to be a lengthy life of usefulness in God's service.

Brother Anderson was a very humble and modest man. He was satisfied to be estimated at his true worth. Hence, he always went cheerfully to the work to which he was assigned, and you never heard him complaining that he was not appreciated. Although a modest man, he had strong convictions and had the "courage of his convictions." Being persuaded that he was correct in his views, he dared to maintain them anywhere and in any presence.

He was a good financier. His daughter said of him: "Though he traveled very large circuits when the pay was almost nothing, yet I never knew him to leave an appointment in debt. At times it would take some of his most valuable books to meet his obligations, but he met them without a murmur."

After his superannuation in 1885, Brother Anderson lived in Morganton, N. C., where the writer was intimately associated with him. Was with him when his wife breathed her last; was with him in his last hours; can testify that his home life and devotion to his family was beautiful; his religious experience was clear and steadfast; his character pure and strong; his influence wholesome and kindly. "Those who knew him best loved him most." One who knew him well said of him, to be in

his presence was to be in an atmosphere of purity and power.

He was specially gifted in prayer. His petitions were always full of earnestness and faith. It seemed that he was actually talking with God face to face, and it seemed clear that there were often direct answers to his prayers, so much so that many, in times of trouble and affliction, sought his help, expecting his prayers to be answered. A few weeks before his death, the postmaster in Morganton received a letter from a person in a distant town, who was in trouble, saying that the writer had heard of a man in Morganton whose prayers were always answered, and asking him to deliver the letter to that man. The letter was at once delivered to Brother Anderson. Even the evil doers acknowledged that they were afraid of his prayers.

For twenty-five years or more Brother Anderson had been in feeble health and at times was a great sufferer, but he bore his afflictions with heroic fortitude and quiet submission, till God said "it is enough", then, without a struggle, like an infant falling into sweet slumber, he "fell on sleep."

We shall miss him, but let us cherish his memory and emulate his Godly example.

REV. L. W. CRAWFORD, D. D.

BY D. ATKINS.

Rev. Leonidas Wakefield Crawford, D. D., was born in Rowan County, N. C., April 5, 1842, and died in Asheville, N. C., February 21, 1908.

His boyhood was spent on a farm and attending the public school in Salisbury. After spending six months in Olin Academy, he enlisted in the Confederate army and was commissioned second lieutenant in the Forty-Second North Carolina Regiment. He took part in many hard-fought battles, and in every case displayed that dauntless courage which was a marked characteristic in all his life-work. It was after he had charged within the breastworks of the enemy that he was taken prisoner, where he was held until after the war had closed. Returning home he spent two years in Olin Academy, and then two years in the University of Virginia and graduated in English and Moral Philosophy.

He was admitted on trial into the North Carolina Conference in 1868, and the forty years of his splendid and fruitful ministry were spent in pastoral work, as professor in college, as editor and presiding elder in the places and at the times indicated as follows: Hillsboro, pastor, four years; Salisbury, four years; Fayetteville, four years; second term in Salisbury, one year; Greensboro four years; Newbern, four years; Greensboro, second term, one year, at the end of which he was elected professor of Biblical Literature in Trinity College, which place he filled four years. Reidsville as pastor, two years; editor of the North Carolina Christian Advocate five years. While editor he organized Spring Garden Street Church, which he served four years. Reidsville, second term, three years; in 1907, presiding elder of the Asheville District. He entered upon this work with his usual zeal and in a very short time won the confidence and love of the people, but the severe climate in midwinter was too much for his delicate physical condition. He contracted a deep cold, which developed into pneumonia, which resulted in his death.

Attention is called to the scope and variety of Dr. Crawford's work as preacher, pastor, professor, editor and presiding elder,

in all of which he achieved marked success. He was a scholar of fine attainments and a life-long student. He thought broadly and accurately. He knew books and knew how to use them. His preaching was always thoughtful, spiritual, earnestly practical and fruitful, often beautiful and always interesting. As pastor, he had few if any equals. He thoroughly identified himself with his people. Their burdens and sorrows were his, he entered heartily into their joys, was a favorite with all classes and welcome into all homes.

He was influential in a circle far wider than that of his own flock. He took a deep interest in the affairs of the public and especially the general interests of the Church and education. For a long time he was a potent factor in the management of Greensboro Female College, was a warm friend and supporter of the State Normal, and was at the time of his death a trustee of three of our Conference schools. He was also chairman of the Board of Directors of the Carnegie Library in Greensboro.

He was very active and efficient in the work of the Conference whether on the Conference floor, or in the work of committees. He was for a long time a member of the Board of Education. Then was chairman of the Sunday School Board, and was the treasurer of the Conference Trustees, and to him was committed the entire management of the fund, which he managed with great skill. He was a ready and willing worker, and addressed himself to whatever task was assigned to him, however small, with conscientious devotion and singleness of aim.

Dr. Crawford was eminently a gentleman. He understood well all the proprieties whether in the social circle or in the ministry, and was a model in all these things. He was kind-hearted, sincere and sympathetic, a wise counsellor and a valuable friend. Dr. Crawford's home life was perfect. He was the companion, friend and constant lover of his wife, the true son of Abraham in that he commanded his children and his household after him. He was the friend and companion of his children and held their unbounded esteem and love. As a tree is known by its fruits, so do the excellencies and high standing of his children bring to light many of the otherwise unrevealed forces of his life.

In all the exactions of his busy life, he was never diverted from his devotions. He prayed much, studied the Bible deeply, and meditated thereon. His conversation was always seasoned with grace and was elevating. His Christian experience was clear and decisive. He knew the Master's voice and loved to follow it, and gladly consecrated all his powers to his Lord's work.

All in all, Dr. Crawford was one of our best equipped, most successful great men. He was a great force for good in the world. He will be greatly missed among us. He died with the harness on in the fullness of his strength. There was no opportunity for last words, and dying testimony. There was need of none. He died as he had lived, in close fellowship with him whom he had so long trusted and followed. We will cherish and revere his memory, will follow his Godly example, and hope to join him in the Church triumphant. Our hearts go out in sincere sympathy to the stricken companion who has long been so very efficient in many departments of Christian work, and to the children so sorely bereaved. We suffer with them for in his death we are all bereaved, but we sorrow not as those who have no hope. We shall see him again.

REV. M. H. HOYLE.

BY H. K. BOYER.

Rev. Maxwell Humphrey Hoyle was born at Belwood, Cleveland County, N. C., June 10, 1841, and died at his home in Charlotte, N. C., March 24, 1908.

He was converted and joined the Methodist Church at Bethlehem camp ground in Gaston County, N. C., in the fall of 1852. License to exhort was granted him in 1867, and he was licensed to preach the same year.

He was admitted on trial into the South Carolina Conference at Morganton, N. C., December 11, 1867, at which time he was appointed junior preacher with Rev. J. S. Nelson to the York Circuit, which embraced the entire County of York.

He was appointed to the Dallas Circuit in 1868. During the years 1869-70 he served Fair Forest Circuit. It was during this pastorate that he married Miss Mary Lee, of Union, S. C., who, with one son and three daughters, survive him. From 1870 to 1907 his appointments were as follows: 1871, North Charlotte Circuit; 1872, Alexander Circuit; 1873-4, Whiteville Circuit; 1875, Lilesville Circuit; 1876-7, Monroe Circuit; 1878-81, Clear Creek Circuit; 1882-5, Pleasant Grove Circuit; 1886, Matthews Station; 1887-8, Person Circuit; 1889-90, Lincolnton Circuit; 1891-4, Rutherfordton circuit; 1895-6, Newton Circuit; 1897, Mooresville Station; 1898-1901, Davidson Circuit; 1902, Lowell Circuit; 1903-5, Weddington Circuit; 1906-7, Matthews Station.

The writer has often heard from a number of these charges of the faithfulness of this servant of God, and of his remarkable courage in every conflict with our common enemy. During the four years of the Civil war he fought as a brave soldier in the Thirty-Fourth North Carolina Regiment, Pender's Brigade, A. P. Hill's Division, and was in nineteen hard fought battles. Duty was his watchword. He was a minute man, a man of dauntless courage, and fought under the flag of his Savior for forty years with equal bravery to that which characterized his service for his country. He was blessed by nature with a fine sturdy physique and good health. During the entire forty years of his ministry he never took a vacation. After obtaining a good common school education he spent some time at Rutherford College. He was a student, a thinker and a man of manifest individuality—a splendid type of the self-educated man.

In his latter years he was an enthusiastic veteran, a good Mason, a noble citizen, a splendid preacher, an unusually tender, loving husband and father, and a pure, ripe Christian. His fine sense of humor made him an acquisition to any social circle and a source of constant cheer around his own hearthstone. His faith was sublime. One incident from among many will suffice to show this. At one time when his eldest daughter was packing her trunk to go to Greensboro Female College, knowing her father did not have the money, she ceased preparation, and said, "Father, it's no use to pack when we have not the money." To which he replied, "Daughter, I have asked the Lord about it." The next day he came into the house singing and praising the Lord for his goodness, and said, "Daughter, I have the money." Thus through his life he was ever borne onward and upward on the wings of his great faith.

As his health failed his energy ripened into beautiful patience. The day before he passed away he said to his physician, "Well,

doctor, I guess I have hitched my horse at the last station on the circuit, haven't I?" And to his wife and children he said, "I shall soon see Him face to face. Now let thy servant depart in peace."

It was my privilege to be with Brother Hoyle frequently during his last illness, and from this association I give to his brethren and friends the assurance that to this dauntless servant of God there was no "moaning at the bar," when he "put out to sea," but with an unfaltering faith in God, whose grace had sustained him through the various experiences of a duty-filled life, he passed into the home beyond to meet his Lord "face to face." "Thanks be to God who giveth us the victory through our Lord Jesus Christ."

On the afternoon of the 25th of March, in the presence of a large number of friends, an appropriate and impressive funeral service was held in Tryon Street Church, in Charlotte, N. C., in which the Revs. Frank Siler, E. L. Bain, Harold Turner, J. W. Wheeler, and the writer took part, and the body was laid to rest in Elmwood cemetery.

THE DECEASED WIVES OF PREACHERS.

Mrs. Catherine F. Long, wife of the Rev. A. M. Long, was born June 26, 184—; professed faith in Christ early in life and joined the Methodist Church, of which she was a faithful and active member until she passed to her reward December 21, 1907.

Mrs. Sarah A. Moores, wife of the Rev. M. F. Moores, was born in Salvisa, Ky., December 19, 1878, and died in Asheville, N. C., November 22, 1907. She was a woman of high culture, beautiful Christian character, and a consistent member of the Methodist Church from her girlhood.

Mrs. Lonie Cornelia Speas Holloway, wife of the Rev. J. G. W. Hol'oway, was born in Forsyth County, N. C., December 16, 1872; was married December 4, 1894, and died at Bryson City, N. C., December 26, 1907. A faithful Christian from girlhood, she was indeed a helpmeet to her husband, and when the end came she passed away in triumph.

Mrs. Rosa Pegues Thompson, wife of the Rev. J. Ed. Thompson, was born near Cheraw, S. C., about fifty years ago; professed faith in Christ early in life, and was a devout and useful member of the Methodist Church to the end of her life. Refined by nature, cultured in mind, and consecrated in heart, she was a blessing to every Church her husband served. It has been beautifully said that "she was truly refined in every fiber of her nature, with a mantle of charity for the weaknesses of others and wholly consecrated to her Master and his work. She was of inestimable value in the capacity of wife, mother, friend, and laborer in the Church." The summons came without warning on the morning of April 10, 1908, and found her ready.

"She hath done what she could."
